Title: Moonglow Ritual

Author: Rune Artisem - OES

::takes a dagger into his
right hand::

::slashes his left arm
with the dagger::

Behold... The essence of
Obilvion shall coat the
soil of this place, drip by
drip...

The people of Moonglow
think that Nujelm is now
a safe haven...

That they have saved it
from Entropy and
Obilvion...

How wrong they are...

The Master's interest has
always been minor, when
dealing with this city. A
corrupt family has been
nothing but an
entertaining family for
such a small time.

But now we come to
throw the force of
Darkness unto their
doorsteps...

So be it...

Obilvion! Mightest of the
Darkness!

We beg you!

Come to this place!

Bring death and decay
here!

Let the people rot!

Bring plague and famine
here!

Let the people rot!

Bring war and conquest
here!

Let the people rot!

Etheng!

The pigs of Moonglow
have dared to spit in ye
face!

We ask you, O' great
Obilvion!

Show them the true
Darkness!

Welcome them into your
evil and hate!

Etheng!

Welcome the one of
Honesty into your arms!

Etheng!

For we offer proof of
their worth!

Here are two who served
Moonglow!

And they have seen your
ways!

Drake!

Sal Veya!

Come before me!

O' Great Obivlion!
Before me stand two
that worship and serve
your ways!

And yet...

They have served the one
of Honesty! They have
served Moonglow!

Drake! Tell me of the
gifts that Obilvion has
given to ye!

*Drake gives his
testimony*

Sal Veya! Tell me of
the gifts that Obilvion
has given to ye!

*Sal Veya gives his
testimony*

So be it....

We offer proof, great
Obilvion!

The people of Moonglow
still sleep!

I beg ye! Awake them!
Show them their true
master!

We now give ye the
darkest of offerings...

May the shadows consume
all!

Glory to Caina!

Etheng!

Glory to the Master!

Etheng!

Glory to Obilvion!

*All ritual participants
now drink deadly poison
and die*
